CHAIRMAN'S REPORT

The year of 2012 has been a difficult year for many people involved with BNSW; however BNSW and our members can be proud of achieving successful outcomes in 2012.

The year started with a disappointment with the previous chairman Dr Adrian Hurley resigning due to health reasons and family commitments. Adrian's leadership and guidance in the establishment of an independent BNSW Board and the focus on growing the game has positioned BNSW well for the future.

The highlight of the year for basketball was the London Olympics and the honour that Lauren Jackson had for the sport and herself being the flag bearer for the Opening Ceremony. Congratulations Lauren.

On the financial front BNSW has operated soundly in 2012. The consolidated profit for the year was \$163,400. Our business ventures were profitable and continued to provide additional income to BNSW over the year. Looking forward, we have achieved the outcome of limiting registration fee increases to CPI while our costs are increasing at rates above this.

At grass roots we have seen more people playing the sport and many local Associations needing additional facilities to further grow the sport. The need for additional facilities at a reasonable cost is paramount for the future of the sport and there needs to be stronger and more positive engagement with all levels of government that reflect the need of basketball.

In 2012 BNSW recorded a 9.94 % increase in registrations. This increase is the biggest percentage increase in 18 years. Congratulations to our members who grew their membership. There were two current incentives offered to Associations, the discount for early payment and the payment in arrears (based on June). In addition during 2012 only "Learn to Play" registration was either rebated or free. It is extremely important that all Associations ensure all members are registered for insurance purposes and to allow the sport to demonstrate to government the growth that is being achieved. In 2013 BNSW announced further incentives to local Associations for growth in registrations.

With the assistance of BA/ASC, BNSW has engaged in assisting local Associations with Learn to Play activities. During the last six months of 2012, BNSW visited 60 Associations and assisted with their programmes with exposure to 2000 new participants. This program will continue during 2013.

The development of the sport continues with coaching and refereeing programmes being conducted during the year. The number of referee courses/referee coach courses conducted during the year was 29, with 16 additional Association visits for referee coaching. A number of referees received State Grading accreditation during the 2011/2012 state accreditation programme. The number of coaching courses conducted during the year was 17 with the number of coaches accredited being 340.

A new initiative in the country areas to coach and develop players was an outstanding success. This new programme will assist to broaden the base and provide pathway to the elite BNSW programmes. This programme attracted 938 players and 98 coaches in 2012, and will continue in 2013.

The continued development of players, coaches, referees and administrators at the local level is paramount and local Associations should ensure they actively undertake this task.

The elite programme was successful with the development of 1000 players in the elite programs during the year. The development involved individual skills training, camps and tours. The results for BNSW representative teams were:

Under 20 Men - BRONZE
Under 18 Metro Girls - GOLD
Under 18 Metro Boys - GOLD
Under 16 Metro Girls - BRONZE.

Congratulations to the following BNSW members who were selected to represent Australia.

Oceania U19 Men World Qualifying Series Final Team

Emmett Naar, Jack Lopez, Michael Rowley, Dougal Weir, Fabijan Krslovic, Gerard Martin, Nicholas Duncan, Mirko Djeric

Oceania U19 Women World Qualifying Series Final Team

Casey Samuels, Maddison Penn, Brian Kentwell

World U17 Men World Championship Final Team (Silver Medal)

Nicholas Duncan, Fabijan Krslovic, Gerard Martin, Mirko Djeric

World U17 Women World Championship Final Team (5th Position)

Vanessa Panousis

CHAIRMAN'S REPORT

BNSW referees achieved great results. BNSW sent 30 officials to various Australian National Junior Championships, of these – 16 received gold medal games, 11 received bronze medal games, with the remainder representing BNSW very successfully. The national leagues saw, 16 BNSW officials on the panel, with a BNSW official, officiating the NBL grand final series, as well as BNSW officials officiating the WNBL semi finals series. Internationally BNSW had 6 officials represent Australia at various international and FIBA events.

The competitions conducted by BNSW has grown with 13 competitions and 753 teams competing during 2012. Following the competition review in 2011/12 a new premier league was introduced this year and this has been quite successful. During 2013 BNSW plan to commence 3 on 3 championships.

A review of the metropolitan league commenced in 2012 and is continuing in 2013. BNSW Board Member Val Mann is to be thanked for her efforts in this area.

There have been a number of issues this year that have involved legal matter and particular BNSW needs to be appreciative of David Reid for his contribution and efforts in improving governance in our sport.

BNSW would like to thank Tamworth Basketball Association for hosting an Australian Junior Basketball event. The conduct of the Championship was very successful.

As we look forward to 2013, we will have BNSW 75th Anniversary and the second Hall of Fame Dinner.

All the members of BNSW need to work together to achieve growth and continued success for our great sport of basketball.

The staff of BNSW need to be congratulated on the successful year.

Finally I would like to thank all fellow Board Members at BNSW for their support and effort during the year.

Paul Beale
Chairperson BNSW

CHIEF EXECUTIVE OFFICER'S REPORT

2012 was a very unusual year for the Australian economy. Whilst some sectors boomed ahead (e.g. mining) others slowed right down (e.g. retail) leading to the phrase a "multi-speed economy". For Basketball, we too seem to be experiencing a "two speed" economy, with activity fairly flat in our country areas but a little more active in Metro. Fortunately NSW unemployment was reducing during the year and is tipped to continue to reduce in 2013, which should be a great help for our sport.

Given the above circumstances, BNSW continued with all its intended cost cutting measures.

From a financial perspective, BNSW reported a profit of \$163,400. This was a very pleasing result with most of our Departments and all affiliates contributing. Most pleasing of all was the increases in revenue that resulted from increased membership registrations which were up by 9.94% in the 2012 year.

It will interest all of you to read these quick facts below because it could also be used when you are trying to attract funding from your local councils or local sponsors:

General

- Basketball is the **number two sport globally with 213 countries participating** in basketball internationally and with **over 450 million players regularly playing the game.**
- A global study conducted by Roper Starch Worldwide based on 35,000 interviews, showed that **11% of the world plays basketball.**
- The most recent Sweeney Sports research in Australia shows that **one in three Australians have an interest in basketball.**
- Basketball is played by approximately **one million** men and women, boys and girls throughout Australia.

Participation

- Basketball is played by approximately **one million** men and women, boys and girls throughout Australia:
 - **1,015,000 grassroots participants**
 - **625,000 participants 15 years and over; and**
 - **390,000 participants under 15 years**
- Basketball is the **2nd highest team participation sport in Australia.**
- 9% of Australians aged between 5 and 75 years currently play basketball.
- 42% of participants play basketball weekly.
- 25% of Australians have participated in basketball during their life.
- 5% of Australians provide volunteer support to basketball.
- 27% of Australians consider themselves fans of basketball – while 8% consider themselves 'fanatics'.
- 42,000 primary aged children participate in the *Federal Government's Active After Schools* basketball program – the **3rd highest participated sports program.**

Children's Participation

- The latest sports participation data from the Australian Bureau of Statistics – released in October 2012 – shows **basketball has defied the national trend and continued to grow its already strong participation base among children.**
- **Since the 2006 version** of the ABS study, basketball participation among children has **grown by almost 44,000 children – that's 25% in six years.**
- That growth is even more remarkable when you consider that the same ABS study found nearly all other major participation sports – including cricket, swimming, netball, tennis and Australian Rules Football – suffered a decline in participation levels within the same timeframe.
- Basketball has always been one of Australia's strongest participation sports – and the latest ABS data cements that.

National Teams

- **Australia is currently ranked as the 4th best basketball nation in the world out of 213 nations with international Basketball Federations.**
- **This is an improvement on the 2011 5th place ranking and reflects our success at all 2012 FIBA and FIBA Zones Championships.**
- The Women's National Basketball Team – **The Opals** – is ranked **second** in the world by FIBA.
- The Men's National Basketball Team – **the Boomers** – is ranked **tenth** in the world by FIBA.
- The Women's National Wheelchair Basketball Team – **the Gliders** – is ranked **second** in the world by the international Wheelchair Basketball Federation (IWBF).
- The Men's National Wheelchair Basketball Team – **the Rollers** – is ranked **second** in the world by the IWBF.
- The Men's Under 17 team won silver at the 2012 World Championships, while the Women's Under 17 team finished 5th.

CHIEF EXECUTIVE OFFICER'S REPORT

No School No Play

- Between 2010 and 2012, there were **5 different NSNP programs running in Australia** – 3 of those funded by the Federal Government's Department of Education, Employment and Workplace Relations.
- There were more than **30 schools involved across Australia** – including **750 students** from years 7 to 10.
- Approximately 300 of those students were Indigenous – roughly 40%.
- **In 2011:**
 - **80% of students improved their engagement at school.**
 - **90% improved their number of days attended at school.**
 - One school in particular in Coffs Harbour went from an average of 50% attendance in term 1 to 91% in term 2.
- **In 2012:**
 - **Overall, 70% of students involved improved their attendance and engagement.**
 - In the Western Sydney program, all schools are above 60% attendance compared to 40-45 before the program.

Active After School Communities Program

- The Australian Government's *Active After-School Communities* (AASC) program is a national initiative providing primary school children with access to free sport and other structured physical activity programs in the after-school time slot of 3:00pm to 5:30pm.
- In 2011 there were:
 - **More than 42,000 children who participated in basketball;**
 - **More than 1,585 schools participated in the program;**
 - More than **30%** of these programs were delivered by national, state, and regional Basketball Association's and clubs; and
 - More than **1,250 community coaches** delivered basketball programs.

Social Media During the Olympics

According to research conducted by Burson Marsteller during the 2012 London Olympic Games between 27 July 2012 and 13 August 2012:

- There were more than 500,000 conversations on the Olympic over the games period.
 - 56% of participants were male
 - 44% of participants were female
- 1 in 4 conversations originated in Sydney
- 4 in 5 conversations took place on Twitter
- The most discussed Aussie athletes were:
 1. Sally Pearson
 2. Lauren Jackson
 3. James Magnussen
- The most discussed sports were:
 1. Swimming – 30%
 2. Basketball – 16%
 3. Rowing – 12.5%

2013 will again be challenging for all of us, whether we are administrators, referees, players, coaches, scoretable officials, etc. There will be hurdles, road blocks and other barriers to success. But in those moments where we are being tested I ask us all to remember the words of Michael Jordan who said "I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times I was trusted to make the winning shot, and missed. I've failed over and over and over again in my life. And that is why I succeed".

I wish you all the very best for your upcoming 2013 season.

COACHING AND DEVELOPMENT

The Basketball NSW Coaching and Development Department continued to provide a wide range of development programs, events and opportunities for NSW coaches and athletes in 2012.

The primary focus of the department is to provide development opportunities from junior participation programs to the elite area with the State Junior Representative Teams and National Intensive Training Program (NITP).

Participation & Broad-Based Development

Basketball NSW continues to understand the importance of bringing new players to the sport and also providing coaching, instruction and development to players as they enter our sport.

In 2012 Basketball NSW engaged in a series of broad-based development programs and specialist camps, designed to provide education to players of all ages, experience and ability. This includes specialist regional development camps, shooting camps and guard camps.

Development Programs

The suite of Basketball NSW development programs continue to provide development opportunities for athletes and coaches in all regions of the State. To ensure there is appropriate development at the various age levels, Basketball NSW conducts the following programs:

Under 12

- NSW Country Skills Days (in conjunction with NSW Country Basketball Committee)

Under 13

- Under 13 Country and Metropolitan Waratah Development Camps
- Under 13 Country and Metropolitan All Star Camp

Under 14

- Waratah Under 14 Development Program - conducted in two metropolitan centres, along with eight regional "clusters"
- Under 14 Talented Athlete Program in conjunction with the NSW Department of Sport and Recreation
- Under 14 Development Tours - Country
- Under 14 Development Tournament – Metropolitan

Under 15

- Waratah Under 15 Development Program - conducted in two metropolitan centres, along with eight regional "clusters"
- Under 15 Talented Athlete Program in conjunction with the NSW Department of Sport and Recreation
- Under 15 Development Tours - Country
- Under 15 Development Tournament – Metropolitan

Under 16

- Regional and Metropolitan Specialist Development Camps
- Under 16 State Teams Program
- Under 16 Development Tours - Country
- Under 16 Development Tournament - Metropolitan
- National Intensive Training Program (NITP)

Under 18

- Regional and Metropolitan Specialist Development Camps
- Under 18 State Teams Program
- Under 18 Development Tours - Country
- Under 18 Development Tournament - Metropolitan
- National Intensive Training Program (NITP)

Talented Athlete Program (TAP)

Basketball NSW once again conducted the Talented Athlete Program for country and metropolitan Under 14 and Under 15 athletes in 2012. The program is run in conjunction with the NSW Department of Sport and Recreation and Sydney Academy of Sport.

This program is operated at the Sydney Academy of Sport's facility at Narrabeen and involves an intensive three day camp, which includes on court sessions, sports science education and strength and conditioning programs.

The camp brings together 200 athletes boys and girls from NSW Country and Sydney Metropolitan in the Under 15 and Under 14 age groups.

COACHING AND DEVELOPMENT

NSW Junior State Representative Program

Results for the NSW representative teams competing in the 2012 National Junior Championships were:

Under 20

- NSW Under 20 Men – **Bronze Medal**
- NSW Under 20 Women – **Bronze Medal**

Under 18

- NSW Metropolitan Men – **Gold Medal**
- NSW Metropolitan Women – **Gold Medal**
- NSW Country Men – 8th
- NSW Country Women – 6th

Under 16

- NSW Metropolitan Men – 8th
- NSW Metropolitan Women – **Bronze Medal**
- NSW Country Men – 7th
- NSW Country Women – 6th

Ivor Burge (Players with an Intellectual Disability)

- NSW Metropolitan Women – **Silver Medal**
- NSW Country Women – **Bronze Medal**
- NSW Country Men – **Silver Medal**
- NSW Metropolitan Men – 8th

Elizabeth Tonks (Coffs Harbour) Kai Healy (Hornsby)

Coaches

Karen Dalton, Mark Watkins, Sam Gruggen, Damien Cotter

Development Tours - Tournaments

Basketball NSW competes in a number of development competitions around eastern Australia, with a focus on providing athletes and coach's opportunities to play against their peers from other states and regions.

These development events provide a valuable link from our development programs to competitive opportunities and also provide our members with a pathway to State Teams and participation in National Junior Championships.

In 2012, Basketball NSW teams competed in the following development programs:

- Australian Country Junior Basketball Cup (ACJBC)
- Pacific Coast Slam (PCS)
- East Coast Challenge (ECC)
- Super Development League (SDL)

National Intensive Training Program

Basketball NSW NITP has had a very successful 2012.

Basketball New South Wales National Intensive Training Centre Program continued to provide development opportunities to elite athletes aged 14-17 years in 2011/2012 through a series of camps and small group sessions. The BNSW NITP cycle went from October 2011 to August 2012.

The 2011/2012 squad included 119 athletes from throughout the state, representing 11 country (Albury, Temora, Nowra, Wollongong, Gosford, Dubbo, Tamworth, Newcastle, Maitland, Coffs Harbour, Tuggerah, Bathurst) and 8 metropolitan (Penrith, Norths, Manly, Hills, Bankstown, Sutherland, Comets, Hornsby) Associations with some 20 coaches working in the program as network coaches.

Camps Program

Camps are based on the direction from Basketball Australia (BA) and drills are taken from what is taught at the ADC camps. Offences taught are similar to the Boomers, Opals, Emus and Gems programs.

The 2011/12 program consisted of 5 live-in style camps that are scheduled as follows:
October, November, February, April, August.

Saturday

- 10am to 12pm - Session 1
- 2.30pm to 4.30pm - Session 2
- 5pm - Video Session/Lectures
- 7.30pm to 9.30pm - Session 3

Sunday

- 7am to 8.30am - Session 4 (Shooting)
- 10am to 12pm - Session 5

To ensure the camps remain an integral part of the program, a series of guest coaches were invited into camps during the year, including:

- Damian Cotter, Head Coach, NSWIS Basketball & Emus U19 Men's Head Coach

COACHING AND DEVELOPMENT

Coach Development

Development of network coaches was identified as a key area for the 2012 program and initiatives have been implemented to ensure our coaching network is gaining development at camps and in other areas.

As part of each camp, a series of meetings are held to talk about the technical curriculum and also share information gained from the international stage and flowing down from our national team coaches and the AIS.

Literature has also been sent to network coaches regarding the latest coaching techniques and trends impacting basketball internationally.

A Lecture was held at each camp on areas that the International game is headed.

Country Visits

On our visits to the country towns we ran NITP workouts with the NITP athletes & ran many player/coaching clinics to help the players & coaches in those towns with the concepts of BNSW.

Country coaches video the sessions & clinic notes are given to the Associations.

NSW Regional Academies of Sport

Basketball NSW continues to foster a working relationship with the Regional Academies of Sport and has formal links with the Southern, Western Region and North Coast Academies of Sport. In recent times, Basketball NSW has also forged links with South Eastern Regional Academy of Sport.

The RAS provide valuable development opportunities for Under 15 athletes throughout regional NSW, with Basketball NSW providing some funding support through NSW Country Basketball Committee as well as technical support to the programs.

Coach Education and Development

The ongoing education and development of coaches continues to be a focus for Basketball New South Wales and this is carried out through formal coach education courses (NCAS Level 1 and 2 courses), Association based clinics and regional coaching clinics.

With the support of NSW Country Basketball Committee, Basketball NSW development staff engaged in a series of regional coach development clinics and seminars throughout the state and Basketball NSW acknowledges this ongoing support.

Basketball NSW also introduced the "Coach Development Seminars" program, which covered a wide range of coaching topics, along with sports science and athlete management education.

Acknowledgements

Basketball New South Wales Coaching and Development would like to thank and acknowledge the following organisations and individuals for their ongoing assistance:

- The Board of Basketball New South Wales
- Basketball NSW affiliate associations and stadium managers
- Basketball Australia
- The Australian Sports Commission
- Sydney University Flames and Head Coach Karen Dalton
- New South Wales Institute of Sport and Head Basketball Coach Damian Cotter
- New South Wales Regional Sports Academies and the Sydney Academy of Sport
- New South Wales Department of Sport and Recreation
- AIS basketball programs and coaching staff
- New South Wales Combined High Schools, sports high schools and the private school basketball leagues in Sydney

EVENTS

The Events Department enjoyed another successful year in 2012 with competitions growing to meet the requirements of competing Associations. This growth has allowed a clear pathway for all our athletes to achieve in basketball what their abilities allow.

Waratah League Report

The 2012 Waratah Championship League commenced with 12 Men's teams and 9 Women's teams. Waratah State League commenced with 37 teams and Waratah Youth League with 41 teams battling for the 2012 Titles.

Congratulations go to Maitland Basketball Association, in particular Chris Heath, for hosting an amazing finals weekend.

Thank you to the WL Executive including Chairman Bob McGugan; Bruce McKay; Richard Boyle; Helen Godfrey; Vickie Croucher; Ivan Spyrdz for their assistance during the year. Your continued support does not go unnoticed. Thank you to our Referee Program Managers John Reardon and Bruce Keirs. A thankless job which is so important to our game of basketball. Thank you to our Referee Coach Manager Albert Joseph a new position this year which really worked well!

Thank you also to Michelle Smith for processing all the referee travel and game payments and assisting with publishing the referee's roster. Debbie Keirs there are no words to describe what you do and how you continue to do it every year and all I can say is thank you and that I am really appreciative of all you do.

To all the Associations' delegates, players, referees and volunteers, congratulations on the 2012 season and we now look forward to 2013.

EVENTS

Waratah Championship League Men

The game started with the big men defending well at both ends of the court with the Bears getting out to a 5 point lead and through hard work and steely determination of Comets players, in particular Borgia and Dawson. North's Wright and Comet's Whitehead swapped threes at the end of the quarter but Norths led by 2, Norths 22 – Comets 20.

In a game of 50/50 nothing was going the Comets way, tips were going astray and balls just not going to hand and in a scrappy quarter Norths extended their lead to 13 points at the half. Norths 45 - Comets 32.

Comets started the third scoring but the continuation of very loose play by both teams. A big dunk by Phil Chircu bought the crowd back into it and whilst baskets were just being swapped, Comets were not able to peg back the Norths after their initial foray. Norths still led by 7 at the break. Norths 58 – Comets 51.

The last quarter seemed to reflect the game as a whole. The Comets were just not able to get on the positive side of the ledger. The ball just wouldn't drop for the Comets and Norths were able to keep their head in front and ran out worthy winners by 11.

Norths 77 – Comets 66.

Defensive Player of the Final – Terry Amir – (Sydney Comets)
MVP of the Grand Final – Ryan Thompson – (Norths Bears)

EVENTS

Waratah Championship League Women

Bankstown took an early 4 point lead, before Manly hit back. Both teams then continued to trade baskets, 2 pointer for 2 pointer, 3 pointer for 3 pointer. At the end of the first quarter, Bankstown clung to a precarious 2 point lead.

Both teams upped their defensive intensity at the beginning of the second quarter, with both teams finding it difficult to get good shots away, but by the 7 minute mark, Bankstown had been able to grind out an 8 point lead, 22 – 14, before Candice Trevenna hit back with a big 3 pointer. By half time, Manly had been able to force their way back to a 1 point deficit, 29 -30.

The third quarter continued as the first half, with neither team able to establish dominance. Manly was not able to take the lead from Bankstown and Bankstown was not able to establish more than a 2 point lead. With just over 6 minutes to go, Manly ties the game for the first time, before Bankstown snatches a 2 point lead. Both teams continued to exchange baskets until Bankstown established a 4 point lead with 2:45 to go in the quarter. Bankstown finish the quarter with a 3 point lead.

Bankstown extended their lead early in the 4th quarter, with strong offensive rebounding by Ellie Junod, jumping to an 8 point lead, before Manly hit back. Bankstown extended their lead to 9 points with 5:30 to go in the game. They then took their biggest lead of the game with 11 points. Casey Samuels then drained a big 3 pointer taking the lead out to 13. Bankstown continued to use their greater size to wear down their opponents, increasing their lead to win 72 to 57.

Defensive Player of Final – Kellie Butt – (Bankstown Bruins)

MVP of Final – Adrienne Gilbert – (Bankstown Bruins)

Waratah State League Men

In the State League Men's Division 1 Grand final it was northern rivals Coffs Harbour and Tamworth taking on each other, with both sides topping their pool during the regular season. The Suns started well, opening with a 16-7 run off the back of star players Matt Shanahan and Alex Desroches. At the first break it was Coffs up 9.

Coffs Harbour 16 – Tamworth 7

The Suns continued to play at a high level, looking to take Tamworth out of the contest. The Thunderbolts behind a couple of crucial threes from Reece Craigie stayed in it, but some dagger threes from Matt Shanahan saw the Suns lead by 17 at the main break.

Coffs Harbour 45 – Tamworth 28

With their season on the line, the Thunderbolts went on a 9-2 run, bringing the margin back to 13. But Shanahan was simply unstoppable, hitting outside jumpers and driving and finishing or dishing to open teammates. At the last change, it was the Suns in complete control, up 19.

Coffs Harbour 70 – Tamworth 51

Any chance the Thunderbolts had was extinguished early as the Suns continued to pour it on from downtown. The lead reached 20 plus early on, with Shanahan (MVP) and Desroches (Defensive) both excellent and leading their team brilliantly. Coffs deserving champions, winners by 30.

Coffs Harbour 91 – Tamworth 61 FINAL

Defensive Player of Grand Final – Alex Desroches (Coffs Harbour)

MVP of Grand Final – Matt Shanahan (Coffs Harbour)

Grand Final	Match: 6018				
Coffs Harbour Suns	91	[45]	d	Tamworth Thunderbolts	61 [28]
(Matt Shanahan 28, Alex Desroaches 25, Robert Linton 14, Jesse Browning 12, Mitch Cole 8, Jack Murat 2, Jason Johansen Leete 2)				(Reece Craigie 13, Josh Deland 13, Justin Leehy 11, Roman Jurd 11, Luke Krug 6, Chris Skilton 5, Nathan Darby 2)

EVENTS

Waratah State League Women

This was a close tussle from the outset between two strong teams, fighting for the title of champions. Both teams exchanged early blows and the lead changed hands several times before the Goldminers got up by six late in the quarter and took a 24-18 lead into the second period.

Another tight quarter saw both teams go into the main break with only 1-point separating them. Bathurst's Teegan Burke led the way with 16 points at the half and U.S Import Brooque Williams continuing her scoring dominance this season with 20 points going into the second half.

Bathurst got off to a good start in the third term and by midway through were enjoying a 16 point lead and looking to drive the Blaze out of the game. The Blaze kept reducing the margin through Williams but found themselves down 67-56 at the end of the third.

It was now or never for the Blaze entering the 4th and they came out firing, Williams leveled the game up with just over four minutes to play and the Blaze seemingly had the momentum and looked to edge ahead. Two minutes later there would be another turn in this game and Williams would foul out of the game and from there the Goldminers were able to hang onto the lead and become State League champions for 2012.

MVP of the game – Teegan Burke (Bathurst Goldminers) – 25points, 11 assists, 9 rebounds, 6 steals

Defensive player of the game – Tracy Beatty (Bathurst Goldminers) – 10 defensive rebounds, 1 steal, 4 blocks

Grand Final	Match: 6019				
Bathurst Goldminers	82	[41]	d	Wagga Wagga Blaze	75 [40]
(Teagan Burke 25, Olivia Patterson 14, Tracy Beattie 12, Hannah Lepaio 12, Freya Roebuck 6, Elisha Radburn 4, Katherine Burke 4, Lauren Hillmann 3, Chiara Porter 2)				(Brooque Williams 34, Michelle Edmanson 15, Caroline Hodder 9, Ashlee Hayllar 8, Caren Hugo 8, Natalie Hoogers 1)

EVENTS

Waratah Youth League Men – Division One

In the Youth League Men Division 1 Final, it was the number 2 seed Manly taking on the Blacktown Storm who finished 5th at the end of the regular season. The Storm started well and off the back of some great play by Sam Brock, took a one point lead into the first change.

Blacktown 16 – Manly 15

In the second, Manly took their first lead in the game with league leading scorer David Hazzard becoming more involved. It was a tight contest however and with the Storm's Krenz Carlos heating up it was Manly side that managed to take the lead at the main break.

Manly 30 – Blacktown 26

The second half continued at the same frenetic pace as the first, with both teams looking to up the tempo. Manly had solid contributions from many players and the ball game was within a couple of points the whole quarter. At the last break of the season, it was the Storm by just 1.

Blacktown 42 – Manly 41

The Storm really got going in the fourth and off the back of a couple of Carlos and Mark De Riviere threes took control of the contest. Manly never up and fought until the end, but the underdog Blacktown side prevailed, running out 12 point winners and deserving champions.

Blacktown 71 – Manly 59 FINAL

Defensive Player of Grand Final – Petar Kuzmanovic (Blacktown Storm)

MVP of Grand Final – Krenz Carlos (Blacktown Storm)

Grand Final	Match: 6016				
Blacktown Storm	71	[26]	d	Manly Warringah Sea Eagles	59 [30]
(Krenz Carlos 22, Petar Kuzmanovic 17, Mark Deriviere 14, Sam Brock 7, Nico Ebilane 4, Jordan Lum Kon 3, Jonathan Angeloudis 2, Khari Carlos 2)				(David Hazzard 10, Cale Bulgin 9, Mitch Cullen 9, Gerard Martin 8, Patrick Martin 7, Jake Ibbotson 6, Kyle Painter 5, Daniel Saggus 3, Alex Evans 2)	
	Venue: Maitland Federation Centre

EVENTS

Waratah Youth League Women Division One

Penrith came out in the first quarter looking to dominate from the outset and got away to an early 9-2 lead, capitalizing on some good shooting and their defense held solid. However, later in the quarter the girls from Manly were able to stage a fight back and a timely 3-pointer on the buzzer from Jade Dalton reduced the margin to 2 points.

In the second quarter, the Panthers capitalized on some Manly turnovers and were able to penetrate the paint effectively, with Tahlia Tupaea leading from the front in the quarter, knocking down two 3-pointers to give Penrith a comfortable 12-point lead at the break, 31-19.

The Sea Eagles had a great start to the second half, coming out aggressive and making some crucial baskets when it counted. Jade Dalton hit another timely 3-pointer to give the Manly girls some momentum and when Mikeela Turik knocked down one from beyond the arc, the lead was all of a sudden only 1-point with two minutes left in the quarter. Manly got their noses in front with under a minute in the quarter remaining, but Penrith quickly took it back and went into the final quarter with a slender 1-point lead, 41-42.

A see-sawing battle ensued in the final quarter with both teams trying to find the edge and pull ahead. Both teams shot well, but when Taylah Clark hit a 3-pointer with only two minutes remaining and the lead at 7, it seemed out of reach for the Manly girls. A late turnover from Manly gave the Panthers the final say and they were able to control the game from that point and take the title as champions for 2012, 66-55.

MVP of the game: Tahlia Tupaea (Penrith Panthers) – 21pts, 7 rebounds, 3 assists, 3 steals.

Defensive player of the game: Emily Potts (Penrith Panthers) – 9 defensive rebounds, 3 steals, 1 block.

Grand Final	Match: 6015				
Penrith Panthers	66	[31]	d	Manly Warringah Sea Eagles	55 [19]

EVENTS

Waratah Youth League Men – Division Two

A slow start to the first quarter from both teams was surprising, considering the offensive weaponry the Bears have been showing this year. Towards the back end of the quarter however, the scoring opened up a little and Norths scoring machine Harrison Goodrick was on fire in the first quarter tallying 15 points on his own and leading the Bears to a 13-point lead at the close of the first quarter, 30-17.

Another slow start to the quarter offensively, with both sides struggling to find their range and make some baskets. After cutting into the lead somewhat, the Crusaders stalled and the Bears sunk their claws in and got out to a 31-point lead by the end of the half.

The Bears continued their offensive dominance in the third and by midway through the quarter they had extended their lead to 36, with Harry Shearwood really coming alive and showing the Bears faithful his offensive and defensive skills with some excellent shooting and couple of crafty steals. The quarter closed with the Bears on top 78-51.

The fourth quarter was all the Bears as they continued to capitalize on turnovers and get into the paint. Despite the Crusaders best efforts; they were no match for the Bears as they romped home to a 107-71 victory.

MVP of the game: Harry Shearwood (Norths Bears) – 41points

Defensive player of the game: Harry Shearwood (Norths Bears) – 3 defensive rebounds, 5steals, 2 blocks

Grand Final	Match: 6017				
Norths Bears	107	[58]	d	Central Coast Crusaders	71 [27]
(Harry Shearwood 41, Harrison Goodrich 27, Darcy Emery 13, Jim McUnulty 12, Alex Hayes 5, Max Miniak 3, Robert Atkinson 2, Dougal Weir 2, Daniel Jones 2)				(Dylan Russell 13, Nick Bennet 13, William Granger 9, Phillip Taylor 9, J P Venecourt 8, Sam Robilliard 8, Rhys Goodier 5, Michael Witham 3, Nathan Bapty 3)

Waratah Junior Metro League

In 2012 the Waratah Junior Metro League grew to an impressive 194 teams, which were entered from 19 Sydney based Associations. The Metro League is played on a home and away basis. In 2012, the competition included divisions in different age groups, ranging from Division 1 through to Division 5.

Teams playing in Division One have the opportunity to qualify for State Championships, and those in Division Two can progress through to State Cup. This continues to encourage strong competition in both the Division One and Division Two sides, with teams in the other Divisions aspiring to earn the same opportunity.

The Metro League continues to grow and develop quality juniors, which was evident at the 2012 State Championships and State Cup where teams from the Sydney Junior region excelled.

Congratulations to all that participated throughout 2012.

EVENTS

Western Junior League

A total of 57 teams competed in the 2012 Western Junior League season. The league was played over 3 central venue weekends with Bathurst, Orange and the Riverina (Leeton, Narrandera, Temora, and Griffith) hosting rounds. Bathurst Goldminers, Griffith Demons and Narrandera Knights nominated the most teams with 8 each, followed by Orange Eagles and Leeton Eagles with 7. The other competing Associations were Temora Falcons, Lithgow Lazars, Cootamundra Cougars, Dubbo Rams, West Wyalong Wildcats and Young Pacers. The finals weekend was hosted by Orange, with Bathurst winning 6 of the 11 grand finals, followed by Orange with 2 and Griffith, Cootamundra and Lithgow 1 each.

Under 18 Boys	Match: 361	Orange Eagles Black	74	[37]	d	Dubbo Rams	63	[33]
Under 18 Girls	Match: 357	Bathurst Goldminers	58	[29]	d	Narrandera Knights	43	[21]
Under 16 Boys	Match: 358	Griffith Demons	67	[27]	d	Bathurst Goldminers	64	[29]
Under 16 Girls	Match: 362	Bathurst Goldminers	50	[20]	d	Dubbo Rams	39	[20]
Under 14 Boys	Match: 359	Bathurst Goldminers	60	[26]	d	Griffith Demons	58	[32]
Under 14 Girls 1	Match: 355	Bathurst Goldminers	38	[16]	d	Lithgow Lazars	27	[12]
Under 14 Girls 2	Match: 356	Cootamundra Cougars	50	[31]	d	Young Cherry pickers	40	[20]
Under 12 Boys 1	Match: 354	Bathurst Goldminers	58	[24]	d	West Wyalong Wildcats	55	[17]
Under 12 Boys 2	Match: 351	Orange Eagles	42	[21]	d	Griffith Demons	41	[26]
Under 12 Girls 1	Match: 353	Bathurst Goldminers	59	[34]	d	Leeton Eagles	13	[3]
Under 12 Girls 2	Match: 360	Lithgow Lazars	27	[13]	d	Griffith Demons	17	[11]

EVENTS

Eastern Junior League

A total of 46 teams competed in the 2012 Central Junior League season. The league was played over 7 rounds, played on Sundays, with all Associations hosting games. Gosford City Rebels nominated the most teams with 12, followed by Central Coast with 8. The other competing Associations were Newcastle Hunters, Maitland Mustangs, Tuggerah Lakes and Cessnock Cobras. The semi final/preliminary final round was hosted by Newcastle. The grand final round was hosted by Maitland. Central Coast won 3 of the 8 grand finals, followed by Newcastle and Gosford with 2 and Cessnock 1.

Under 18 Boys	Match: 325	Newcastle Hunters	77	[28]	d	Gosford City Rebels	57	[25]
Under 18 Girls	Match: 321	Central Coast Waves	80	[42]	d	Gosford City Rebels	71	[36]
Under 16 Boys	Match: 322	Newcastle Hunters	90	[36]	d	Gosford City Rebels	47	[27]
Under 16 Girls	Match: 326	Gosford City Rebels 1	52	[20]	d	Gosford City Rebels 2	33	[11]
Under 14 Boys	Match: 323	Central Coast Waves	74	[31]	d	Maitland Mustangs	48	[26]
Under 14 Girls	Match: 319	Central Coast Waves	59	[26]	d	Newcastle Hunters	33	[18]
Under 12 Boys	Match: 320	Cessnock Cobras	60	[31]	d	Gosford City Rebels 1	31	[17]
Under 12 Girls	Match: 324	Gosford City Rebels	46	[27]	d	Maitland Mustangs	43	[24]

EVENTS

State Championships

A total of 64 teams competed in the 2012 State Championships. The round was played over three days, with Gosford hosting the Under 18 and 16's and Central Coast Youth Club hosting the Under 14 and 12's. Illawarra Hawks had the most teams competing, followed by Gosford City Rebels and Sutherland Sharks with 7 each. The other competing Associations were Albury Cougars, Bankstown Bruins, Blacktown West Storm, Central Coast Waves, Coffs Harbour Suns, Hills Hornets, Hornsby Spiders, Maitland Mustangs, Manly-Warringah Sea Eagles, Newcastle Hunters, Norths Bears, Penrith Panthers, Sydney Comets, Temora Falcons and Tuggerah Lakers. Top 2 teams from each grade played in the grand finals on the Sunday afternoon, with winners declared state champions. Newcastle (18B, 12G) and Illawarra (18G, 16B) won the most state titles with 2 each, followed by Sydney (16G), Hills (14B), Norths (14G) and Sutherland (12B) with one each.

18 Boys	GF	Newcastle Hunters	85	[40]	d	Sutherland Sharks	71	[37]
18 Girls	GF	Illawarra Kittyhawks	62	[25]	d	Sydney Comets	48	[17]
16 Boys	GF	Illawarra Hawks	57	[30]	d	Hills Hornets	50	[27]
16 Girls	GF	Sydney Comets	64	[25]	d	Gosford City Rebels	54	[19]
14 Boys	GF	Hills Hornets	57	[24]	d	Illawarra Hawks	42	[17]
14 Girls	GF	Norths Bears	45	[26]	d	Illawarra Kittyhawks	40	[18]
12 Boys	GF	Sutherland Sharks	59	[29]	d	Bankstown Bruins	55	[30]
12 Girls	GF	Newcastle Hunters	55	[32]	d	Norths Bears	47	[18]

State Cup

A total of 64 teams competed in the 2012 State Cup. The round was played over one weekend, with Menai hosting the Under 18 and 16's and Sutherland hosting the Under 14 and 12's. Gosford City Rebels and Bathurst Goldminers had the most competing teams with 6, followed by the Canberra Gunners/Capitals with 5. The other competing Associations were Armidale Lions, Camden Valley Wildfire, Central Coast Waves, Cessnock Cobras, Coffs Harbour Suns, Griffith Demons, Hills Hornets, Hornsby Spiders, Illawarra Hawks, Lismore Storm, Maitland Mustangs, Moruya Swans, Newcastle Hunters, Norths Bears, Orange Eagles, Parramatta Wildcats, Penrith Panthers, Port Macquarie Dolphins, Queanbeyan Roadrunners, Shoalhaven Tigers, Sutherland Sharks, Sydney Comets, Tamworth Thunderbolts and Wagga Wagga Blaze. Grand Finals were played on the Sunday afternoon with Canberra winning two titles (12B, 12G). Other champions were Moruya (18B), Port Macquarie (18G), Armidale (16B), Lismore (16G), Parramatta (14B) and Wagga Wagga (14G).

18 Boys	GF	Moruya Swans	99	[51]	d	Sydney Comets	87	[44]
18 Girls	GF	Port Macquarie Dolphins	54	[24]	d	Sydney Comets	42	[18]
16 Boys	GF	Armidale Lions	72	[29]	d	Sydney Comets	67	[37]
16 Girls	GF	Lismore Storm	62	[23]	d	Bathurst Goldminers	42	[16]

Junior High Schools Tournament

A total of 43 teams competed in the 2012 Junior High Schools Tournament. The competition was played over one weekend at Bankstown Basketball Stadium, consisting of years 11/12 boys, 9/10 boys and girls and 7/8 boys and girls age groups. Cranbrook School and St Augustines College had the most competing teams with 5 each, followed by Central Coast Adventist School and Westfield Sports High School with 4. Other competing schools Canobolas Rural Technology High School, The Scot College, Loreto Kirribilli, Knox Grammar School, Riverside Girls High School, Macquarie College, Brigidine College Randwick, Davidson High School, Homebush Boys High School, Stella Maris College, Picnic Point High School, Quirindi High School, St Dominics College, St Agnes Catholic High School and Robert Townson High School.

COUNTRY COMMITTEE

Country Committee Report

The activities of the Committee are volunteer based and the support for the various programmes remains strong and enthusiastic. A special mention of Leanne Palmer, Erwin Balsar, Scott Balsar, Richard Boyle and John Davidson is deserved for their untiring efforts.

The committee continues to work on issues raised by the McGugan report with our efforts in 2012 being centred on coaching and player development with referee and administration also being focused on.

Growth of Sport

Country Development Program

The inception of the Country Development Camps (CDP) at 10 Venues during the school holidays proved a great success with over 1000 participants involved. It far exceeded all expectations.

The programme had four objectives:

- To reengage with the Country and provide leadership and development opportunities for players, coaches, administrators and referees.
- To develop a pathway from grassroots to the elite levels of the sport in the above areas.
- To provide mentoring of the above participants.
- To rebuild the culture of the sport that reflects the ethics of the bush – respect – commitment- hard work – character.

The journey was long and difficult at times but very rewarding in all areas. For the first year a lot was achieved, 2013 will be to grow and sustain the programme.

There was a noticeable improvement in player skills but there is still a long way to go.

The move to selection camps from selection days proved very successful and improved the quality of the selected players for the ACJBC/PCS as well as coaches and managers.

A superb effort by Rex Nottage, Scott Balsar, Regional Directors of coaching – Eric Kivi, John Hargreaves, Tim Mallon, Nick Prior, Greg O'Toole, Paul Masters, Erwin Balsar (catering) and a levy of coaches at venues across the camps.

Under 12 Skills Day – July

With the inception of the CDP, the Skills Day programme was integrated into the camp programme in July in an attempt to lift skill levels. This in turn caused the skill days to be held in April not July as in the past. The move was unsuccessful and the programme will revert to July in 2013.

Country Jamboree – October

This event was conducted at Port Macquarie involving 144 players, 20 coaches, 20 managers, 16 referees Y2/Y3 scholarship holders, and 2 referee coaches.

The event is held over 4 days and involves skills sessions, games, coaching and social activities. Parents are involved at various stages of the event.

Great Murray Jamboree – November

40 boys and girls are selected from the Port Macquarie event to attend the Great Murray Jamboree at Albury. Here, the players are mixed with players and coaches from ACT, SA, VIC, and New Zealand.

Finance

A small group of Volunteers work very hard each year to raise funds to finance the Country Committee's various programs. At the same time we deliberately eat into our reserves to assist the program short falls.

Programs and projects include:

- Regional Academies of Sport: Western, Southern, North Coast, South Eastern
- Country state player scholarships for players living more than 300km from Sydney
- Country state player travel assistance to National Championships
- Country state team coach, assistant coach, manager assistance to travel and training
- 16 Junior Referee scholarships to attend the Country Jamboree at Port Macquarie
- 8 Junior Referee scholarships to attend Great Murray Jamboree
- Production of Country Skills day U/12 Basketballs

COUNTRY COMMITTEE

- Scholarships for 4 coaches to attend the ACJBC and PCS
- Scholarships for disadvantaged participants

In addition, the venues of CDP has allowed the purchase of equipment to help develop the programme:

- Coaches portable PA system
- Equipment such as skipping ropes, shooting glasses, ladders, swiss balls, bump bags, etc.
- Planning for their development of a shooting tree
- Increased number of scholarships to coaches to the ACJBC/PCS

Competitions

The Country Tournament again proves to be a good testing ground for a team's progress.

The 2012 Tournament featured 110 boys and 98 girls teams played at 7 venues in 24 grades.

Illawarra was again the Champion Association and the Championship banner was presented by John Davidson at the September CDP Selection Camp to Illawarra.

Concerns still linger strongly over the number and quality of referees sent to the event. Five Associations were fined for failing to honour their commitment.

Country Premier League (CPL) rules were introduced into all Division 1 Competitions. Under 14 Rules were also clarified.

Country Junior League

All four junior leagues were well supported with an increase in numbers of Associations participating. There was an effect from the CPL but this opened up opportunities for previously lower placed teams.

Country Premier League

The first year of the CPL proved successful. A review of the sustainability and effects of the CPL will help further development.

It must be stressed that for players to be selected for Country tours/State teams they do not have to play CPL but more importantly be involved in the CDP.

National Level

Concerns of the decline of standard in the bush are again highlighted in the Country Under 18-16 State team National results. It is to be hoped that in 2013 some of the CDP progress will be seen.

Results in 2012

Under 18 Men – 7 th (6 th -2011)	Under 18 Women – 6 th (5 th -2011)
Under 16 Men – 7 th (4 th -2011)	Under 16 Women – 7 th (6 th -2011)

Under 14 National Club Championships

Men - Illawarra - 4th (4th -2011)
Albury - 14th

Women – Illawarra - 5th (7th -2011)
Coffs Harbour - 14th

Ivor Burge

Country Men - 2nd

Country Women - 3rd

12 teams competed in the ACJBC with success. Under 16 Girls NSW Waratahs d NSW Kookaburras 48-37. Under 18 Boys NSW Kookaburras d Vic Bushrangers 63-57, Under 18 Girls NSW Kookaburras d Vic Goldminers 60-55.

8 teams participated at the PCS with mixed success. Under 15 Girls SA Country d NSW Kookaburras 64-48, Under 15 Men Southern Districts d NSW Kookaburras 52-43, Under 17 Men Southern Districts d NSW Kookaburras 68-59.

COUNTRY COMMITTEE

High Performance Program – NITCP

65 participants were selected for involvement in the programme from Albury, Shoalhaven, Wollongong, Dubbo, Tamworth, Coffs Harbour, Moss Vale, Lithgow, Gosford, Newcastle and Maitland. They were serviced by Regional coaches and visits from Head NITCP coach Mark Watkins. It is the aim of the CDP to prepare and provide better participants for this programme.

Marketing

Country now has a specific button on the BNSW website and this has helped immensely in clearly setting out where information can be found.

A substantial sponsorship was obtained from IGA in 2012. This allowed the purchase of equipment for the CDP, provision of CDP coach uniforms, sponsorship of the Jamboree, Skills Day and Country Tournament as well as providing resources for Regional development.

Money has been allocated to assist administration, coaching and refereeing regional projects.

REFEREES

Basketball NSW recognises Referees' Achievements throughout 2012. All referees are to be applauded for their outstanding contribution to Basketball and to the Referee Development Program in New South Wales.

Basketball NSW Referees in the National Basketball League include:

TECHNICAL OFFICIALS

2012 saw another very busy and challenging year with a few more changes occurring:

- Basketball NSW continued to hold Regional Referee Action Days in 2012 to help some of our officials gain better access to up-to-date information without extensive travel. These were held in Cootamundra, Gosford, Tamworth, Coffs Harbour, Goulburn and Dubbo.
- Main Senior and Junior League Referee Action Days were held at Bankstown in 2012, which attracted a large number of officials from many associations. Thank you to Mark Watkins our guest speaker at the senior league action day. BNSW will continue to develop this Action Day so we can try to encourage a consistent approach to all games.
- BNSW was fortunate to have numerous referees selected at Basketball Australia Junior National Championships to officiate medal games, and also a high percentage was again successful in receiving semi-finals. 14 Gold Medal officials' positions and 8 Bronze Medal official positions, a very strong result for NSW! Congratulations to all officials who participated.
- Congratulations to Riannan De La Torre who was awarded the ASC Officiating Scholarship for 2012. This is a significant achievement for one of our officials competing against other sports elite officials.
- Continuation of Metropolitan Referee Coordinators meetings in 2012, which will continue into 2013. Some Associations have found this a valuable networking opportunity.
- A Level 2 Referee Course was held by Basketball NSW, with upgrades of several officials during the 2012 season. More will continue to be evaluated and upgraded early in 2013. A Level 3 Referee Course was held and these officials will be reviewed over the next season. Four Grade 0 and a Grade 1 Referee Coaches Course were held by Basketball NSW in 2012 to assist referee educators at Association and League level. Basketball NSW has been happy to assist as many Associations as possible in order to develop someone to assist their officials at home. BNSW staff also assisted in delivering 4 Level 1 courses and 8 Beginner Courses.
- Basketball NSW staff visited many Associations (as well as hosting at BNSW) to run 11 workshops including conflict management, referee coaching, pre game/preventative officiating in both Metro and Country venues.
- The Scoretable Committee in conjunction with BNSW staff continued to produce the Scoretable Brochure, which was widely distributed and appreciated by many parents.
- Country Jamboree continued to see Junior Country Officials receive 24 scholarships to attend both these tournaments.
- The finals weekend saw many scoretable officials receive upgrades from the previous year's courses. BNSW ran 5 Level 1 Scoretable courses as well as a 2 x level 2 courses.
- 2012 saw 5 new Level 2 upgrades for our Statisticians, and several courses run in metro and regional areas.
- Basketball NSW would also like to recognise the efforts of all our Scoretable and Statisticians who regularly work at our elite level in the WNBL and NBL. We are fortunate to have some of the best qualified and trained personnel at these events.
- The 2012 Senior League Finals saw an outstanding display of officiating and playing, with Sean Myers receiving WABL Referee of the Year, and Martin Harper the SBL referee of the year. The finals were held at Maitland and a great job was done by our officials, referees, referee coaches, scoretable and statisticians.
- 2012 saw the introduction of an on line rostering system for BNSW for the senior league. After a few teething problems this system allowed officials to be able to manage their availabilities and personal details anywhere they had internet connection. This will continue for 2013, with a view to introducing the Country Premier League to this system.
- John Rearden and Bruce Keirs had the task of ensuring all Senior League games were adequately covered in 2012, and did a great job for finals selection with their team of referee coaches, and in 2013 BNSW hope to extend this excellent result to include further referee coach development. Thank you John and Bruce for all your hard work.
- BNSW introduced a new role of Referee Coach Mentor to assist with the growth and development of referee coaches from junior league through to senior levels. Thank you to Albert Joseph for all his hard work across all levels. Several referee coaches were upgraded and this education will continue into 2013.
- Basketball NSW continued to have the AAGPS (private schools) competition as part of our referee portfolio, under the direction of BNSW. Thank you to all the officials who support this BNSW facilitated program.
- BNSW introduced "Country Premier League" in 2012. This saw the best junior teams and officials from regional NSW come together for great basketball. BNSW referee staff attended all CPL rounds and finals to assist with referee education and development for our regional officials.
- The Junior Leagues are continuing to develop more with each year. The State Championships in 2012 saw an even mix of country and metropolitan officials, with some new faces stepping up to this level from our CPL. The State Cup also saw a mix of country and metro officials, and all did an outstanding job.

TECHNICAL OFFICIALS

- Our new 2012 Junior League Commissioner was Tim Whealing with the assistance of Steve Nicholls. Both did a great job of co-ordinating the referees for Metro semis and finals, a tough job with the number of games, and limited officials. Tim will continue to visit Metro associations during the season for 2013.
- Our regional referee co-ordinators, Riannan De La Torre - SJL , Alison Ross - EJJ, Rod Kent & Trevor Wilcox, with assistance from Deb Burghart – NJL and Nathan Smith with assistance from Paul Martensz - WJL stepped up for 2012 and have made progression to further develop their leagues for 2013 . A big thank you to all as 100% game coverage is not always easy to achieve.
- BNSW “Junior League Referee of the Year” for each region, recipients for 2012 were: - Nathan Paff, Nick Conte, Andrew Greenwood, Luke Chmielewski, and Jack Fishpool.
- Basketball NSW continued to work with our NRDP program for talented officials. For 2012 the NRDP Program Manager was Mark Caldwell, a big thank you to Alison Ross for her work with the NRDP previously.
- Basketball NSW introduced a recognition certificate to thank our really committed senior league referees,

Basketball NSW continued to utilise the following development tours & tournaments to provide officials with opportunities to be coached, to develop their skills and also as a pathway for selection for participation to Junior National Championships. Officials attended and / or officiated in the following events and / or tours in 2012:

- Australian Country Junior Basketball Cup
- Pacific Coast Slam
- East Coast Challenge
- U14 Junior Nationals Qualification Series
- Easter Egg Tournament
- Country Junior Tournament
- AAGPS
- Jamborees
- National Schools Basketball Tournament
- Junior Representative Leagues in all regions.
- Junior State Championships
- SBL/Youth League
- Waratah League
- WABL/SBL Finals Weekend

TECHNICAL OFFICIALS

Basketball NSW would like to thank all our referees, volunteers, and referee coaches, scoretable and statistics personnel for all their hard work and dedication to help make all our events as successful as possible.

A big thank you to all Referees, Statistics and Scoretable personnel throughout the state who work tirelessly throughout the season for their home associations. The calibre of all these officials was highlighted when the U16 Junior National Championships was held in July 2012 in Tamworth. The number of officials needed to support such an event was significant and NSW officials did a fantastic job. A big thank you to our Stats Co-Ordinator, Trish Nicholls, our Scoretable co-ordinator, Michelle Nicholas and the great team at Tamworth Basketball Association.

We would also like to recognise and thank all our Association referee managers and co-ordinators, referee coaches, and volunteers. None of the Basketball NSW programs would be successful without the tireless support of all those involved with all our officials. Our young (and not so young!) benefit enormously from this ongoing support and education.

Basketball NSW officials were well represented in 2012 at the Basketball Australia Junior National Championships:

TECHNICAL OFFICIALS

Basketball NSW recognises the invaluable work from our Program Managers:

WABL Program Manager	John Rearden
WABL Program Manager	Bruce Keirs
Referee Coach Mentor	Albert Joseph
NRDP Program Manager	Mark Caldwell
Northern Junior League	Rod Kent/Trevor Wilcox
Western Junior League	Nathan Smith
Southern Junior League	Riannan De La Torre
Eastern Junior League	Alison Ross
Metro League	Tim Whealing/Steve Nicholls
Statistics Co-Ordinator	Trish Nichols
Scoretable Co-Ordinator	Michelle Nicholas
SAC Member	John Martin

We look forward to 2013 being an opportunity to further develop our new programs and also to improve our current programs. We appreciate the assistance received from the entire NSW basketball community, the support from other States, and Basketball Australia for enabling us to provide access and support to our developing officials.

Debbie Keirs
Senior Manager: Referees & Technical Officials

TECHNICAL AND OPERATIONS

Constitution

As part of the ongoing review of all of its governance procedures, Basketball NSW (BNSW) commenced a review of its constitution in 2012 which will continue into 2013. This review is supported by the Department of Sport and Recreation (DSR) as part of a wider governance review incorporating several of our policies and By-Laws (mentioned later in this report).

The ongoing review of our member's constitutions has continued throughout 2012 with many Associations reviewing and adopting the new DSR format.

There is a continuing pressure by both DSR and the Office of Fair Trading (OFT) for all of our Associations to review their constitutions. A joint approach in 2013 with the OFT will check to ensure all of our Associations are compliant with the OFT. This is an important part of an Association's accountability to their members, financial information and a knowledge that their Association is operating within the guidelines that govern the operation of incorporated bodies is the first step in having an open and transparent governing body.

Sportsrage

It is with some regret to have to report that issues under this heading did not get better during 2012. Teams adopting 'win at any cost' philosophy, Associations feeling impotent in dealing with their coaches once selected and the lack of any overall development plan for players and officials has meant a piece meal approach has been taken in trying to achieve the overall aim of creating a safe enjoyable environment for all participants. Both BNSW and its member Associations have implemented a Zero Tolerance approach to inappropriate behaviour, but there has to be greater co-operation between competing Associations and their team personnel and competition organisers in dealing with conflict situations. BNSW has in place appropriate mechanisms for team officials through their respective Associations to comment about official behaviour. This is then dealt with on a professional level; there is no need for coaches and their supporters resorting to the level of abuse that was apparent during 2012. 2013 will see an added emphasis in this area.

Debbie Keirs has conducted several seminars on dealing with conflict during 2012 and have been well received by those attending.

The absolute number of officials has increased and Associations should be congratulated for the work that they do in this area but it is still the minority of Associations that have accepted their responsibility in this very important area. The downside of this situation is that the demands on our officials is forever increasing with not only BNSW increasing their demand but also unaffiliated bodies utilising the skills of our Association officials to an increasing level as well.

The "Green Shirt" for Young Referees program continues to develop and show positive results but it requires further commitment by administrators in giving these burgeoning officials all the support we can muster in supporting their development and continued performance in this difficult task. We must all accept the continued viability of our sport requires us to work hard at retaining all participants in our sport, especially those that accept the additional responsibility of officiating at games at all levels. Code of Conduct breaches by Coaches resulted in a number of Behaviour Agreements being signed and in a few cases suspensions were involved.

Tribunals

The final draft of our reviewed Disciplinary Tribunal By-Laws is with our solicitor for final proofing. Basketball Australia (BA) has only recently introduced a revised set of rules and we are in the process also of ensuring compatibility between the two documents. This has further delayed the presentation of the amended By-Laws to the Board for ratification.

Several Associations have introduced 'sin bin' type scenarios and these work when Association officials are consistent in the application of the rules accompanying such schemes.

It does appear however, that the Associations are finding it increasingly more difficult to staff their disciplinary tribunal panels. The volunteer nature of this activity has put pressure on Associations as there is a growing number of charged persons who are accompanied by legal representation. This puts further pressure on this volunteer base, most are not legally qualified or possess the necessary skills to combat the wily legal professional who on occasions takes over the hearing and treats it like a court room. The introduction during 2011 of getting all participants who attend a disciplinary tribunal to also sign a behaviour agreement has been adopted during 2012 by several Associations as it places the responsibility for further inappropriate behaviour squarely on the shoulders of the participant, but it also makes it easier for those associations to take follow up action outside of the Disciplinary Tribunal rules.

Insurance

Basketball NSW renewed its policies with Horsell International in September, 2012. Additionally, Basketball NSW has again applied and secured exemption for Referees Workers Compensation policy with the NSW Sporting Injuries Committee.

This exemption covers registered Referees, Scoretable, Statisticians and Sports Trainers, and highlights the importance of all participants being registered.

TECHNICAL AND OPERATIONS

Legislative Changes

As in 2011 where a new harmonised national OH&S regime was introduced, 2012 has seen changes in two important areas that govern the way we do business. The first is the Working with Children Check and secondly, new privacy legislation. The latter being passed by the Federal parliament in November, 2012. 2013 will see the impact of both these changes and Associations will be informed as to their responsibilities under both.

Grants

The Grants process conducted by the DSR continues to undergo change as the new Coalition government makes the changes to its operating structures of government and continues to be very cost conscious.

BNSW continued to receive its funding under its triennial agreement with the DSR, which concludes in June 2013. The amount of the grant was \$55,000.

The ITCP continues to attract a grant from the Australian Sports Commission through Basketball Australia; this process is under review by BA.

Players with an Intellectual Disability continued to gain support from the DSR.

Kim Murphy
General Manager: Administration and Operations

COMMERCIAL AND MARKETING

Communications & Marketing

Basketball NSW Is Part of the Social Media Revolution

Throughout 2012, Basketball NSW Communications & Marketing Manager Daniel Laus has been actively developing a strong social media presence for Basketball NSW. You can now find Basketball NSW on Facebook, Twitter and YouTube. The number of "likes" on the Basketball NSW Facebook page continues to grow as members enjoy the opportunity to interact with us. Basketball NSW now also has our own YouTube channel, where the Basketball Playing tips series featuring Jason Cadee has proved very popular. Daniel will also continue to work on the development of our on-line store and our electronic newsletter.

Communications & Web Site

2012 was a very important year for the Basketball NSW web site. After much hard work and development during the first half of 2012, the completely new-look basketball NSW web site was launched in the later part of the year. Feedback was very pleasing, with members reporting that they liked both the new fresh clean look and the improved features and functionality. NSW basketball news features on our new web site with links to Facebook, Twitter and YouTube. The website continues to be a focal point for information notification and sharing with our members.

The Basketball NSW email newsletter has also been upgraded to help us more easily and efficiently directly provide our membership with up to date news and information. If you are not currently receiving the BNSW e Newsletter by email, we encourage you to sign up to receive your regular free copy. Just go to the front page of the Basketball NSW web site and sign yourself up, or contact BNSW Communications and Marketing Manager daniel.laus@nswbasketball.net.au to sign up. If you have any news from your Association that you think might be of interest in the BNSW Newsletter, please contact the BNSW Communications and Marketing Manager at the BNSW office.

Emailing up to date information to Member Associations directly from our individual contact persons within the various departments of Basketball NSW has also been continued in 2012, keeping information delivery fast, current and well targeted.

Basketball NSW On-Line Shop

The Basketball NSW on-line shop is a convenient source for purchasing the products available from Basketball NSW. It allows for easy, safe purchase of items from Basketball NSW via secure credit card transactions and we can deliver by mail to any destination.

Our range of Molten basketballs have again been our most popular sales item – we have a good selection at favourable prices for our members. However, there are many other products available, such as strapping tape, a wide range of Victor Sports Medicine Products, coaching books and DVD's. Log on and have a look – click through from the "shop online" button on the front page of the BNSW web site.

Member Marketing Support

The Basketball NSW Communications & Marketing department has developed two publications to assist our member Associations with their marketing and sponsorship initiatives. These were distributed to all member associations previously as hard copy booklets, but are both still available free of charge to download from the Basketball NSW web site (or contact the Basketball NSW Communications and Marketing Manager Daniel Laus).

"How to Create a Basic **Marketing** Plan for Basketball Associations"

"How to Create a Basic **Sponsorship** Plan for Basketball Associations"

Feel free to contact the Basketball NSW Communications and Marketing Manager Daniel Laus if you have any specific questions or queries related to Marketing & Communications, or you would just like to chat about what your association might like to achieve in that department.

Sponsorship

Coast 2 Coast Sportswear continued as the Basketball NSW Exclusive Clothing and Apparel supplier and our major sponsor in 2012 – continuing this longstanding and productive relationship. **Molten** Basketballs were again the 'Official Ball of Basketball NSW' and **Horizons Sports Travel** the 'Official Tour Company of Basketball NSW' and we sincerely thank them for their continued support.

Basketball NSW enjoyed the support of a number of organisations in 2012. We would like to express our most sincere thanks and appreciation to the following:

- **Molten Basketballs**
- **Coast 2 Coast Sportswear**
- **Horizons Sports Travel**
- **Alfasi Hire**
- **IGA Supermarkets**

COMMERCIAL AND MARKETING

- **Clearview Insurance**
- **McDonald Media Group**
- **Coca Cola**
- **Sydney Kings NBL**
- **Sydney Aquarium, Sydney Tower & Sydney Wildlife World**
- **Victor Sports Medicine Products**
- **NSW Office of Communities – Sport & Recreation**

Sales & Marketing

Molten Basketballs remain the exclusive ball for all Basketball NSW representative competitions and are sold through the Basketball NSW on-line shop on our website. Molten provide an excellent range of high quality products and clearly remain the most popular basketballs in the sport.

The **Clearview Insurance** organisation has provided the new "Cash Active" personal injury insurance product that has been developed in conjunction with Clearview especially for Basketball NSW members, their families and friends. It is completely different to the traditional injury insurance – covering you if you are injured during most activities, most of the time, not just during your weekly basketball games. In some injury circumstances, it will even give you a cash payment straight away to help you deal with the out of pocket costs quickly. It is a great product – check it out on the BNSW web site.

Our business relationship partners have also either renewed or continued their associations with us including Coast 2 Coast – Official Uniform & Apparel Supplier, Coca-Cola – Official Beverage Supplier, Horizons Sporting Events - Official Basketball Tour Supplier.

Basketball NSW would like to thank all of our Partners and Suppliers for their continued support during 2012.

Commercial & Marketing

The BNSW & GSI Basketball Stadium Electricity Cost Saving & Energy Efficiency Joint Venture Initiative

This innovative and ground breaking program continued very successfully in 2012. Rapidly increasing energy prices, particularly electricity, are an ongoing major concern for Basketball NSW and our Member Associations. With this very much in mind, the Basketball NSW joint project with Global Sustainability Initiatives (GSI) gives our Member Associations and Stadiums the opportunity to access huge savings on their energy costs (mainly electricity for our facilities) through installing hi-tech energy efficient lighting. BNSW arranged a program with GSI that allowed stadiums to be checked then monitored to determine energy use and potential saving, as well as developing a plan to install energy efficient new lighting systems. The great thing is that the association is put in a position where they have the actual real-time data to be able to make a judgement about the value and cost-effectiveness of installing the new energy efficient lighting system. In many cases there is an additional win-win-win, with the energy efficient lights producing better quality on-court lighting as well, at a cheaper energy cost, with a reduced carbon footprint! Additionally, GSI has been able to put together some innovative funding packages, where the loan repayments for the lighting installation costs can be covered by the savings in the electricity bills.

Stadiums in NSW that have so far upgraded their lighting to the new energy efficient GSI systems are:

Bankstown
Central Coast Y C
Gosford
Hills
Moss Vale
North Sydney
Penrith

The council leisure centre at Five Dock and two schools, Terra Sancta and St Ignatius, have also upgraded their gyms. Three other NSW Member Association stadiums are currently considering upgrade proposals that have been researched and prepared for them by GSI.

GSI works closely within the energy efficiency and renewable markets and is very experienced within this field and is constantly evaluating new technology advances as they come to market. It specialises in developing sensible, practical, cost-effective packages that make commercial sense. This approach is of course very important to basketball associations and stadium management boards. GSI is presently looking at areas other than court lighting where savings can be made, such as general facility lighting and hot water energy requirements. GSI is constantly reviewing and evaluating the business case for various new technologies and the future may well see on-site generation of clean energy become a more viable option for stadiums.

Member Association Services

As well as the wide range of basketball and association related services provided by Basketball NSW for Member Associations, there are some additional programs that member Associations can access. The BNSW & GSI Basketball Stadium Electricity Cost Saving & Energy Efficiency Program was explained earlier and can be of great benefit to associations, particularly those managing their home stadiums. The current Basketball NSW relationship agreement with Coca-Cola will be continued in 2013. The agreement gives Associations that are part of the BNSW program access to a special price list, a rebate on sales and a very attractive incentives program that can provide

COMMERCIAL AND MARKETING

Associations with a variety of support material for their canteens (like "Coke" branded chairs, tables, clocks, umbrellas etc) that may prove very useful for areas such as member amenities and fundraising. Please contact the BNSW Communications and Marketing Manager in the BNSW Commercial Division to learn more about this very attractive program.

Commercial Activities

It is pleasing to be able to once again report in 2012 that the commercial commitment made by Basketball NSW some years ago through its very minimal investments as a shareholder in the starting up of Horizons Sporting Events and IFMG continues to prove its worth. Whilst these are independent businesses, Basketball NSW has benefited from their success through dividends, which are paid to Basketball NSW as a shareholder. This alternative to registration fees as a supplementary source of revenue is very beneficial for Basketball NSW, providing an additional income stream that helps to give some mitigation of the ongoing pressure for registration fee increases. Both Basketball NSW and our member Associations have all experienced cost pressures in 2011-12, as our operating costs and overheads, such as utility costs, rent, transport, accommodation, wages etc continue to move upwards in line with increases in the community generally – but in many cases at more than the rate of the current general CPI.

Basketball NSW remained the major shareholder in Horizons Sporting Events during 2012, with the company continuing to operate successfully in the sports tours industry. Basketball NSW looks forward to continuing this valuable relationship with Horizons Sporting Events and IFMG in 2013.

Bob Sim
General Manager: Business and Strategic

IT AND REGISTRATION

I firstly would like to thank all the Associations for their patience and understanding during my hospitalisation who all worked extremely hard during the 2012 year.

The Learn to Play and Aussie Hoops Incentive Scheme was very successful with large numbers of registration submitted through many Associations with an increase of 84% for the Aussie Hoops and 317% for the Learn 2 Play category. Basketball NSW invested all fees by refunding Associations for these registrations; Rick Bywater did an amazing job of getting to as many Associations as possible. Congratulations are extended to Rick and all the Associations for this innovative scheme.

2012 has seen a 9.94% increase in registration and participation from the 2011 year as at the 31st March, 2013, this is as yet not final with registrations still being received by Basketball NSW for the 2012 period and with the expectation that even more will come into the office.

Country Associations have increased by 6% with three Associations having ceased operation but gaining four new Associations. 33 of the 65 Associations showed positive growth. One Association only was under 50% registered.

Metropolitan Associations increased by 13% in numbers, 17 of the 19 Associations showed positive growth and there were no Associations lost in the year.

The Senior category saw an increase in numbers of 352 members a 2% increase with Males up 1% and Females up 4%.

Juniors and Miniball are still the main areas of concern in 2012 with the Junior Category increasing by 743 members a 5% increase from 2011 whilst the Miniball category increased by 551 member from the previous year a 7% increase.

The "Other" Category saw a 12% decrease with the loss of 121 members, this is an extremely poor response from the member Associations and hurts the administration when seeking Government assistance.

There was an increase in the Aussie Hoops (Under 8 members) up 84% an increase of 1,114 members with Males up 90% and Females up 72%.

Other Participation (Learn to play and Special Needs) increased by 1,975 members a 317% increase on the previous year.

All Associations are urged to ensure that their hard working Administrators, Coaches and Managers are covered by getting them to register, the huge drop in this category shows that Basketball NSW are keen to get these members covered, all Association Board of Directors / Committees should be registered to gain advantage of the "Directors/Office Bearers Insurance" whilst Parents involved in transporting athletes to games on weekends should be encouraged to register just for the benefits of the Insurance Coverage to and from the respective matches.

Associations are all reminded that their members who register ensure that the Associations Insurance Premiums are covered under the Basketball NSW Insurance Portfolio saving their Association huge Insurance premiums that they would have to pay otherwise for Public Liability and Directors/Office Bearers Insurance as well as Coaches and Referees indemnity.

The year 2012 saw the Registration Data Base in its tenth year of operation and the rollout of the SportZman Desktop to Associations has had an impact on the registration process particularly in the February/March/April period.

The Registration Manual was again delivered outlining in detail the operations expected by the member organisations, with all By-Laws, Manuals and forms again being made available on the Basketball NSW Web Site. The new website contains a secure link through the About button by selecting the Membership link where Associations using the User Name and Password sent to them previously can obtain all relevant By Laws, Manuals, Flyers and Forms in relation to Registration, Insurance and the SportZman software.

GROWTH ANALYSIS

In 2012 Basketball NSW continued strategic planning with comprehensive Growth Analysis reports. Throughout the year the process where data from two years was compared and provided invaluable information on such issues as Growth, Retention Rates, Member Losses and the Tenure and cost Value of members at the State Level as well as at the Association Level.

IT AND REGISTRATION

The following data shows the Basketball NSW figures;

Current Data Range	=	1/01/2012	To	31/12/2012
Previous Data Range	=	1/01/2011	To	31/12/2011

Current Members	51038	109.95%
Previous Years Members (PY)	46420	
Variance (Growth Rate)	4618	9.95%
New Registrations	24250	47.51%
Players Retained (Retention Rate)	26788	57.71%
Non Returning Members(Loss Rate)	19620	42.27%
PY Members Yet to Expire	0	0.00%
Current Secondary	1637	3%
Previous Secondary	1923	4.14%

The growth rate of 9.95% is the largest in recent years whilst the New Registrations increased from 42.84% to 47.51%.

Non Returning Members (Loss Rate) decreased from 46.23% to 42.27% whilst the Retention Rate marginally increased from 57.29% to 57.71%

It is intended that all member Basketball Associations will be provided with these comprehensive Reports as well as the ability of my attendance at any Board and or Committee to assist in the analysis and or future planning of the relevant Associations needs to address the Membership Loss rates.

BASKETBALL NSW HARDWARE & SOFTWARE UPGRADE

Basketball NSW again continued to upgrade the software and hardware necessary to service the members and staff in their day to day operation.

The process of upgrading several workstations was continued as well as the upgrade of colour printers and copiers for the staff.

Ongoing maintenance was carried out by Nathan Walker on a regular basis with all workstations and Notebook computers being regularly checked out to ensure their readiness for staff.

SETTING UP AND DISTRIBUTING THE "2012 REGISTRATION" CARDS

Basketball NSW called for tenders from Card manufacturers and was able to get a better deal for the members. The Card design was put together in November and December of 2011 and signed off by January 2012 and the cards arrived from China in mid February as expected.

All the staff assisted in getting the Registration Cards printed and out to the members. Bankstown, City of Sydney, Hills, Hornsby, Newcastle and Northern Suburbs had specific designed cards to assist the Local Sponsors of these Associations. Northern Suburbs Basketball Association continued to have their cards distributed by Basketball NSW direct to their members by post at their cost submitting their data on a weekly basis. The Basketball NSW Registration Cards again were printed and distributed to Associations on a Monthly basis with the process taking place in the first two weeks following the closing of each Month. There was some delay early in 2012 due to my absence but casual staff have been fantastic and were able to get us back on track by May/June.

REGISTRATION DATA BASE

Many hours were spent in further developing the SportZman Desktop Registration and Competition Management software for the member Associations and SportZman Version 11 is currently being tested for distribution to Associations in early 2013.

Our thanks to the SportZman Directors and Programmers for being able to meet our ever increasing specifications requirements.

The consistent improvement in registrations has been seen from the outset with approximately 200 transactions per day and as many as 600 per day on occasions in the March and April periods, received through the SportZman Desktop software.

IT AND REGISTRATION

SUMMARY

During 2012 Basketball NSW continued the sweeping changes to the "Other" category and the Aussie Hoops, Learn to Play and Special Needs.

The "Publish to Web" feature where Association's with a very simple two button system can create their Website and Upload the Website easily through their SportZman software, the data to be hosted by Basketball NSW and providing the Association's with the ability to link their data to their own Website by a simple URL link.

For further information on these exciting projects you should contact the Basketball NSW Marketing Division.

TECHNICAL ASSISTANCE

Basketball NSW continued again to provide the best levels of technical assistance along with the added responsibility of installing and servicing SportZman to the Local Basketball Associations throughout the year.

1. Phone Assistance
2. Assistance by E-mail
3. Association Visit
4. Installing and Servicing the SportZman Desktop products
5. SportZman User Group meetings

Assistance provided involved Registration Process Enquiries, both manual and electronic registration program maintenance as well as general computer and Internet related advice to assist with the development and maintenance of their equipment and systems in general.

A number of Associations are still sending their data in and the data is not correct and many hours are utilised on the processing of the data to verify the accuracy of the data and to provide feedback to the Associations.

In line with the application of the Basketball NSW By Laws the Technical Assistance provided to organisations has yet again been reviewed and clearly defined and updated in the Registration Manual.

REGISTRATIONS

In accordance with the Basketball NSW Registration By Laws the following Associations have failed to provide registration data in 2012;

Gunnedah, Lake Macquarie and Port Stephens PCYC

The following Associations have submitted data that is considered inconsistent with their previous data submitted and now will face an audit before their figures are accepted;

Bellinger Valley, Blue Mountains, Cootamundra, Cootamundra, Griffith, Scone, Singleton Heights, Tuggerah Lakes and Wallerawang

Congratulations are extended to Blue Mountains, Byron Bay, Camden Valley, Liverpool, Maitland, Milton Ulladulla, Moss Vale, Mudgee, Ocean Shores, Port Stephens PCYC, Queanbeyan, West Wyalong and Young for their efforts in generating increased numbers of registrations in a single year above 20% growth.

The Associations with the biggest increase in registration numbers was the Hills Basketball Association with an increase of 818 members followed by the Sutherland Basketball Association 652 and Northern Suburbs Basketball with 459 members whilst the Association with the biggest decrease in numbers was Maitland Basketball Association with 237 followed by Tuggerah Lakes Basketball Association with a 148 member decline.

The 2012 Members Report contained within this document is an incomplete report as Registrations are still being received for the period.

Associations who currently compete in the 2013 NSW Competitions and have failed to either register their members or do not meet the standards of the Registration By-Laws and the Definition of a Member Association will not be accepted into these competitions, Associations that have entered already will be notified immediately as to their acceptance into the relevant competitions.

In 2013, all teams' nomination forms will be checked and the respective team lists will be monitored every week, teams that have unregistered players will face the prospect of their matches being forfeited.

Associations will receive a Final 2012 member report and will be requested to sign off on their final year end data so that any anomalies will be identified at that time rather than a year later when the Budgets are being set,

Association's who have not signed off and or have failed to provide data in accordance with the rules and regulations will have to answer to the Board for all appeals against their ARP Fee structures.

IT AND REGISTRATION

Audits will now take place on participants of all NSW conducted competitions as well as on All State Teams, camps and clinics and referees.

All NITP participating athletes and all NSW State Representative teams will also be checked for their registration status.

Also included in this report is a detailed analysis of the Other Categories showing these registrations by Associations in both the Country and Metropolitan regions and compared against the previous years data, this report shows the development or lack of development by Associations in the areas of Coaches, Managers, Referees, Table Officials, Statisticians, Administrators, Sports Trainers and Volunteers and the Associations who ensure that these members are indeed registered.

Basketball NSW Web Site

In 2012 BNSW, through the aid of Luke Tucker & McDonald Media Group launched a new look website. The new website opens up new doors for BNSW, being able to input stats, scores and upload information remotely will ensure a more efficient running of day to day tasks. Besides the fresh new look and practicality, the new website also provides BNSW with the ability to manage email newsletters and also provides login access for Associations to access documents provided to them by BNSW for administrative purposes.

Web Site Statistics Analysis

In 2012, hits to the Basketball NSW website reached a massive 17,838,181.

Eight out of twelve months of 2012 recorded more page requests than the same period in 2011. This is a testament to the Basketball NSW website and the information that has been uploaded.

March through to August was yet again the main usage periods as this is when competitions, results and development camps are in full swing.

The website received the most hits during May 2012, with 2,136,050 hits in this month. It was also strong in March with 2,009,502 hits being received. This is mainly due to the commencement of all competition in NSW being run at this time.

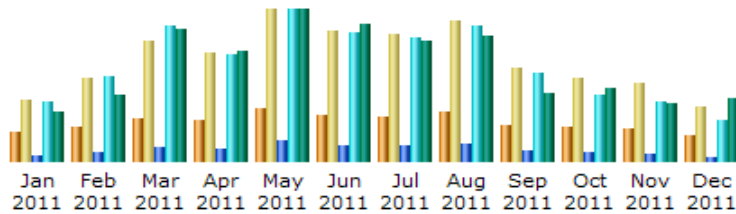

The Basketball NSW website is the first point of contact for many Associations and Members, and we are always trying to update and find new ways of improving and adding to the experience. The increased usage levels of the Basketball NSW website for 2010, 2011 and 2012 can be seen on the following usage statistics table. These graphs demonstrate the usage levels for the Basketball NSW website.

The following table shows the difference per month for each of the main categories from 2011 to the 2012 year.

MEMBER PROTECTION AND RISK MANAGEMENT

2012 continued the trend commenced in 2010, as part of its governance program, Basketball NSW (BNSW) has assisted Associations reviewing their constitutions. BNSW assisted Associations by seeking advice when required and providing on ground support at EGM's and AGM's. Basketball NSW has also provided an amended copy of the Draft Association Constitution document prepared by the Department of Sport and Recreation that is more relevant to the basketball environment. The inclusion of processes such as internal grievance procedures is beginning to be seen as an important part of Association governance processes and it ensures that Associations keep control of issues. The ongoing need for all to be seen as open and transparent in their dealings with their members, associations have to have in place appropriate mechanisms to ensure that they can deal with issues as they arise.

The provision of the 'Safe Coaching' dialogue to Association coaches has had a positive effect for both BNSW and Associations and the greater number of requests by Associations for the session indicates that they are viewing this aspect of their operations as being at risk. This process is adapted to Association needs and preferred format. These discussions about safe coaching practices and the related child protection issues is also seen as a step in improving the relationships between parents, players and their respective Associations. There are still situations that are being highlighted where coaches, in particular, are placing themselves in a position of harm.

Governance, and its related issues, remains a risk that we have to work hard at assisting our Associations with. A PowerPoint Presentation was finalised during 2012 and was presented to a group of associations as part of the new Country Development Program. This program is seeking to give this type of education to help Associations' boards understand their responsibilities in this area. BNSW can now adapt this presentation to cover specific association requests.

In 2012 was not dissimilar with 2011, in that, there was an increase of reports across all aspects of our game. Associations had to deal with more local issues as well as BNSW having to deal with issues across all our leagues. Associations have accepted the need, as part of their governance processes, to have an internal mechanism to deal with these issues as they arise. BNSW was required to assist with some of these issues. Through Basketball NSW's discussion processes it is apparent that the majority of people spoken to during the talks mentioned above there is a ready acceptance that the approach is appropriate and regarded as an important plank in delivering a better outcome for our younger players. It appears that this initiative has been accepted by the wider basketball community. The physical presence of BNSW Staff at events, the greater acceptance on the part of Associations of the role that they need to adopt in assisting venue hosts to control instances of inappropriate behaviour is pleasing to see but we need to continue to work at getting better at this very important aspect of our activity. Again it further highlights that co-operation gives a better outcome and the enjoyment levels by all, will increase.

As in 2011, bullying is the new issue that we have to seriously undertake to seek a better outcome for our players. The 'Safe Coaching' session has been amended to include specific ways of assisting coaches and associations to determine if bullying is happening within their team structures. The role of social media, especially the instantaneous nature of cyber communications has meant that avenues are now open for bullying to occur on a more frequent basis and without face to face contact. BNSW's role as an educator and the provider of advice became even more apparent, additionally it became apparent that the majority of Associations are now able to deal with most issues themselves.

Risk audits are becoming more and more important. Insurers do not want to be exposed to risky operations, so there will be a push in the future for Associations to become more aware of the areas in which they are placing themselves at risk. Basketball NSW has focused on this issue throughout the year and will continue in 2013. Several PowerPoint presentations have been developed to assist Associations in recognising the need to change the previously narrow view on risk away from just injuries to the wider area that issues involving 'duty of care' now encompass. I believe we all understand that all risk cannot be eliminated, but good risk management practices can minimise it greatly. In 2013 this will be further discussed as new guidelines have been received from the DSR on risk audits. Many enquiries about these issues are being raised, not only with local Associations but with BNSW and relevant government bodies. There have been many questions by parents direct to BNSW and it is hard to determine whether this is just frustration or an indicator that complaint and review mechanisms in some Associations need to be improved. Associations are informed of queries raised and in some instances, Associations will have to accept that their procedures have to be timely, open and transparent.

Governance will become more and more important as an issue and BNSW will continue its role in seeking and providing timely advice on issues.

The issue of players participating without being registered, particularly those that play representative basketball or participate in development opportunities creates a risk for both BNSW and its Members. Allowing unregistered players to play poses a great risk to Associations and to Basketball NSW and has to be a continued focus in 2013.

Kim Murphy
Member Protection & Risk Management Manager

AUDIT

BNSW's Audit has a greater reliance on information gleaned from our information sources. With the work being done on retention and growth patterns, the Audit function will shift more to a compliance type checks. Retention and growth analysis profiles are being developed across the state and these profiles form a handy part to our audit process and when combined with census and data gleaned from both state and local sources, more specific questions can now be focussed at associations in relation to these issues.

Kim Murphy
Audit Manager

DIRECTORS' REPORT

The Directors present their report on the company and its controlled entity for the year ended 31 December, 2012.

DIRECTORS

The names of the directors in office at any time during or since the end of the year and particulars of their qualifications, experiences and special responsibilities are as follows:

	OCCUPATION	DIRECTOR SINCE
Paul Beale (Chairman)	Manager	2011
John Davidson	Company Director	2006
Bruce J. McKay	Teacher	1994
Val Mann	School Teacher	2008
David Reid	Solicitor	2011
Dr. Adrian Hurley	Consultant	Retired 27 May 2012
Leanne Maxwell	Solicitor	Retired 19 May 2012

PRINCIPAL ACTIVITIES

The principal activities of the consolidated group are the administration and promotion of the sport of basketball in the state of New South Wales and the marketing of overseas tour groups.

SHORT TERM OBJECTIVES

The groups short term objectives are to deliver results on our annual corporate strategies for each strategic pillar, through our annual key result measures detailed for each year in our published document "NSW Basketball Association Operational Business Plan 2008-2012" available on the Basketball NSW web site at www.nswbasketball.net.

The strategic pillars are:

- Customer Service
- Growth of the Sport
- Governance & Accountability
- Financial Management
- Competitions
- Marketing & Branding
- Performance Pathways
- Innovation

LONG TERM OBJECTIVES

Long term objectives are set out in our published document "NSW Basketball Association Strategic Game Plan 2008-2012" available on the Basketball NSW web site at www.nswbasketball.net.

STRATEGY FOR ACHIEVING THE OBJECTIVES

To achieve these objectives, the group has adopted the strategies as set out for a 5 year period in our published document "NSW Basketball Association Operational Business Plan 2008-2012" available on the Basketball NSW web site at www.nswbasketball.net.

The Strategic Plan for the period 2012 – 2017 is now being formulated.

DIRECTORS' REPORT
(Continued)

MEETINGS OF DIRECTORS

During the financial year 11 meetings of directors of the company were held. The directors in office during the financial year and their attendances were:

<u>DIRECTORS' MEETINGS</u>		
	Number eligible to attend	Attended
Paul Beale (Chairman)	11	11
John Davidson	11	9
Bruce J. McKay	11	11
Val Mann	11	11
David Reid	11	10
Dr. Adrian Hurley	3	3
Leanne Maxwell	3	2

LIABILITY OF MEMBERS

The parent company is incorporated under the Corporations Act 2001 and is a "company limited by guarantee" and as such does not have share capital. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$100 each towards meeting any outstanding obligations of the company. At 31 December 2012 the number of members was 68 (2011- 71).

AUDITOR'S INDEPENDENCE DECLARATION

A copy of the Auditor's Independence Declaration as required under section 307C of the Corporations Act 2001 is set out on page 3.

Signed in accordance with a resolution of the Board of Directors:

Paul Beale
Chairman

John Davidson
Director

Dated this 18th day of April, 2013

**NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED
& CONTROLLED ENTITY**

DIRECTORS' DECLARATION

The directors of the company declare that:

1. The financial statements and notes are in accordance with the Corporations Act 2001, including:
 - (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2012 and its performance for the financial year ended on that date, and;
 - (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Corporations Regulations 2001.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with the resolution of the Board of Directors and is signed for and on behalf of the directors by:

Paul Beale
Chairman

John Davidson
Director

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012**

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001. These financial statements do not comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

a) Principles of Consolidation

The consolidated financial statements incorporate the assets, liabilities and results of entities controlled by New South Wales Basketball Association Limited at the end of the reporting period. A controlled entity is any entity over which New South Wales Basketball Association Limited has the power to govern the financial and operating policies so as to obtain benefits from its activities.

Control will generally exist when the parent owns, directly or indirectly through subsidiaries, more than half of the voting power of an entity. In assessing the power to govern, the existence and effect of holding of actual and potential voting rights are also considered.

Where controlled entities have entered or left the Group during the year, the financial performance of those entities is included only for the period of the year they were controlled. A list of controlled entities is contained in Note 13 to the financial statements.

In preparing the consolidated financial statements, all inter-group balances and transactions between entities in the consolidated group have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with those adopted by the parent entity.

Minority interests, being the equity in a subsidiary not attributable, directly or indirectly, to a parent are shown separately within the equity section of the consolidated statement of financial position and statement of comprehensive income. The minority interests in the assets comprise their interests at the date of the original business combination and their share of changes in equity since that date.

**NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED
& CONTROLLED ENTITY**
ACN 003 359 680

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Business combinations

Business combinations occur where control over another business is obtained and results in the consolidation of its assets and liabilities. All business combinations, including those involving entities under common control, are accounted for by applying the purchase method. The purchase method requires an acquirer of the business to be identified and for the cost of the acquisition and fair values of identifiable assets, liabilities and contingent liabilities to be determined as at acquisition date, being the date that control is obtained. Cost is determined as the aggregate of fair values of assets given, equity issued and liabilities assumed in exchange for control together with costs directly attributed to the business combination. Any deferred consideration payable is discounted to present value using the entity's incremental borrowing rate.

Goodwill is recognized initially at the excess of cost over the acquirer's interest on the net fair value of the identifiable assets, liabilities and contingent liabilities recognized. If the fair value of the acquirer's interest is greater than cost, the surplus is immediately recognized in profit or loss.

b) Investment in Associates

Associate companies are companies in which the Group has significant influence through holding, directly or indirectly, 20% or more of the voting power of the company. Investments in associates are accounted for in the financial statements by applying the equity method of accounting, whereby the investment initially recognized at cost and adjusted thereafter for the post-acquisition change in the Group's share of net assets of the associate company. In addition, the Group's share of the profit or loss of the associate company is included in the Group's profit or loss.

c) Goodwill

Goodwill on consolidation is initially recorded at the amount by which the purchase price for a business combination exceeds the fair value attributed to the interest in the net fair value of identifiable assets, liabilities and contingent liabilities at date of acquisition.

Goodwill on acquisitions of subsidiaries is included in intangible assets. Goodwill on acquisition of associates is included in investments in associates.

Changes in the ownership interests in a subsidiary are accounted for as equity transactions and do not affect the carrying value of goodwill.

Goodwill is tested annually for impairment and carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill related to the entity sold.

d) Income Tax

The parent company is exempted from income tax under Section 50 – 45 of the Income tax assessment Act as a non-profit sporting organisation.

e) Inventories

All inventories are stated at the lower of cost and net realisable value. Costs are assigned to individual items of stock mainly on the basis of weighted average cost.

**NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED
& CONTROLLED ENTITY**
ACN 003 359 680

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Plant and Equipment

Plant and Equipment are measured on a cost basis less depreciation and impairment losses. The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount for these assets. The recoverable amount is assessed on the basis of expected net cash flows that will be received from the assets employment and subsequent disposal.

Depreciation is calculated on a straight line basis so as to write off the net cost of each item of property, plant and equipment over its expected useful life. Generally equipment is being depreciated at 33% and furniture and fittings at 20%. The cost of developing a company database system is being amortised over a 5-year period.

g) Property

In the year ended 31 December 2010 property – comprising a strata holding of Land and Buildings – was acquired. The asset is recorded at the original cost paid in respect of the property.

A separate valuation of the land value has not been obtained as at 31 December 2012 and hence the property has not been recorded separately as to the land value and the building value acquisition as at 31 December 2012. It is expected that a separate independent valuation of the Land and Buildings will be conducted on a tri-annual basis. Increases in the carrying amount arising on revaluation of Land and Buildings will be credited to a revaluation surplus in the other comprehensive income, and any accumulated depreciation at the date of revaluation will be eliminated against the gross carrying amount of the asset and the net amount will be restated to the revalued amount of the asset.

Depreciation has been calculated on an estimate of the building value of \$668,587 on a straight line basis over a period of 25 years (4%).

h) Leased Assets

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the company are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the interest expense for the period.

Lease payments for operating leases, where substantially all risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

i) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made to employee superannuation funds to comply with legislative requirements and are charged as expenses when incurred.

**NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED
& CONTROLLED ENTITY**
ACN 003 359 680

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

j) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

Revenue from organized tours conducted by Horizons Sporting Events Pty Ltd is recognised upon the departure of the organised tour.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive a dividend has been established. Dividends received from associate entities are accounted for in accordance with the equity method of accounting.

k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

l) Financial Instruments

Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured depending on their classification.

Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method and also taking into account any impairment.

Financial Liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

m) Impairment of Assets

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

INDEPENDENT AUDIT REPORT

**TO THE MEMBERS OF
NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED**

Report on the Financial Report

I have audited the accompanying financial report of New South Wales Basketball Association Limited and its controlled entity which comprises the statement of financial position as at 31 December, 2012 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Act 2001. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the Corporations Act 2001. I confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of NSW Basketball Association Limited on 17 April 2013, would be in the same terms if provided to the directors as at the date of this audit report.

**NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED
& CONTROLLED ENTITY**

INDEPENDENT AUDIT REPORT

**TO THE MEMBERS OF
NEW SOUTH WALES BASKETBALL ASSOCIATION LIMITED**

Auditors' Opinion

In my opinion, the financial report of New South Wales Basketball Association Limited and its controlled entity is in accordance with the Corporations Act 2001, including:

- i) giving a true and fair view of the consolidated entity's financial position as at 31 December, 2012 and of its performance for the year ended on that date; and
- ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Regulations 2001.
