

Elite Referee Program - Information

Basketball NSW is currently reviewing the pathways and education programs for all our officials. As part of this process we will no longer have two separate elite development programs for the State.

With this in mind we will be implementing an Elite Referee Program - ERP (this replaces the SRDP and TRP/NRDP) and a Junior Development Program - JDP.

Further information will be released about the Junior Development Program in November/December 2016.

We are seeking expressions of interest from suitable applicants for the ERP for 2017.

All officials are advised to review the Elite Referee Program document prior to applying.

To Apply:

All officials are to provide a written application outlining suitability, goals and why they wish to participate in this program for the 2017 season. Please note that applications need to be supported by the officials association.

These need to be received by 9th November 2016.

Selections will be made after the main Senior League Action Day on the 13/11/2016. Participants will be contacted by 30th November 2016.

If you have any questions, please contact the BNSW Office on 02 8765 8555 or via email debbie.keirs@bnsw.com.au
